

2nd INDIAN CANCER CONGRESS

8th - 12th November, 2017 | Clarks Convention Centre, Bengaluru, India

PRE CONFERENCE SURGICAL WORKSHOP

8th November, 2017 | 8:00 AM – 5:00 PM

Cancer Surgery is fast playing catch up in this era of high technology and artificial intelligence. Technology can be simultaneously exciting, bewildering, thrilling, confounding and terrifying. We aim to assist delegates in consolidation of existing skills and the acquisition of sound technique in each skill area of commonly performed cancer surgeries as well as recently introduced robotic surgeries while emphasizing patient safety
